

**Dear CBA South-East members,**

In wishing all our members best wishes for the New Year we look set to have another full and exciting schedule of activities and events in 2016. Our Site and Town Tours are currently being finalised and I hope that many of you take the opportunity to attend these events, building upon last year's success. We have also answered the call for more opportunities to learn about identifying and recording archaeological finds with the first series of training workshops which, this year, will focus on pottery analysis, and are being delivered by some of the top specialists from across the region. All CBA South-East members receive discounted access to these learning opportunities, and we will continue to run them in future years, with further potential workshops on animal bone, plant remains, and small finds in the offing.

Our annual conference on the Mesolithic held in November proved to be a resounding success. If anything it was too successful, with demand for tickets far outstripping what we had expected. A fascinating speaker line-up provided the backbone for the day. From Professor Martin Bell's illuminating keynote presentation on wetland archaeology to Don Henson's highly engaging review of changing public perceptions, the audience were treated to a range of talks which really brought the Mesolithic (back) to life (see next month's newsletter for a more thorough write-up). We are also very thankful to Surrey History Centre and Surrey County Archaeological Unit for, not only providing an excellent and modern venue, but also the fascinating Mesolithic displays which really added some gloss to the day. A special mention must also go to the Prehistoric Society who very kindly supported the event financially by providing bursaries for five students. Delegates arrived from as far away as Manchester and Yorkshire, which just shows how wide-reaching the appeal of our conference went this year, and we are currently in the process of organising the 2016 event, which we hope will be even more successful. So please do keep an eye out!

Very best wishes,

Dr Martyn Allen  
*Chair, CBA South-East*

## Research opportunities

### **Sussex Archaeological Society – Margary Grants**

The Society makes small grants to individuals or organisations to assist with the cost of research into the history or archaeology of East and West Sussex, including regional projects of which the study of the two counties forms a significant component.

Applications should be submitted to Luke Barber, Research Officer, [research@sussexpast.co.uk](mailto:research@sussexpast.co.uk), by 31st January of the year the grant is required to be considered by the Society's Research Committee at the February meeting.

See <https://sussexpast.co.uk/research/margary-grant> for info.

### **Sussex Archaeological Society – Sally Christian Grants**

Grants are available to individuals starting out in archaeology as either amateurs or students which would include sixth formers or undergraduates to assist with the costs of various types of training, both practical and academic and to enable such individuals to gain experience in archaeological fieldwork and other forms of research in East and West Sussex. N.B. Funding is NOT available to meet the training needs of professional archaeologists. Grants are available for: short training courses (normally lasting from one to five days long, but sometimes longer) covering such subjects as surveying, excavation methods, environmental sampling, identifying, recording and interpreting finds, etc., day schools covering either practical skills or relevant academic information, attendance at relevant conferences or research projects which provide students and/or amateurs with expert supervision and some training. Feedback will be required from the student.

Applications must be submitted by the 1 April 2016. Further details regarding applications should be made to the Research Officer ([research@sussexpast.co.uk](mailto:research@sussexpast.co.uk)).

### **Kent Archaeological Society – Allen Grove Local History Grants 2015**

Kent's local, social and family history enthusiasts have until 31 March 2016 to apply for the next tranche of grants to be awarded by the Kent Archaeological Society from its Allen Grove Local History Fund. Amounts of up to £1,000 are offered annually to individuals, groups, organizations and students to help cover the cost of research, publications, exhibitions and other projects focused on the county's history and heritage.

Application forms can be downloaded from [www.kentarchaeology.org.uk](http://www.kentarchaeology.org.uk) or obtained by email from [allengroveadmin@kentarchaeology.org.uk](mailto:allengroveadmin@kentarchaeology.org.uk) or by post from the KAS c/o 8 Woodview Crescent, Hildenborough, Tonbridge, Kent TN11 9HD (please enclose a s.a.e.). See [Allen Grove Local History Fund Grants, 2015](#) for more details.

## CBA-SE 2016 Grants Available

The CBA South East are now in a position to distribute a limited number of small grants from the Peter Drewett Fund. The application for a grant should be made to the grant secretary John Funnell at [john.funnell@brightonarch.org.uk](mailto:john.funnell@brightonarch.org.uk) (along with any queries). Please see <http://www.cbасouth-east.org/grants-and-funding/> for more details.

The closing day for grants will be **April 1<sup>st</sup> 2016**.

A grant for £100 was recently awarded to the Lewes Archaeological Group towards the cost of isotope analysis for a number of burials found on Malling Hill. The remains appear to have been from an execution site. The burials were thought to have been associated with the Battle of Lewes, but Carbon 14 dating shows that they date to a much earlier period. The object of the new analysis is to determine whether the remains are local or from foreign climes, and possibly Viking. There will be a note in a future CBA South East newsletter once the results are known.

Please email any events, talks, recent publications relevant to the south-east, or fieldwork opportunities to [events@cbасouth-east.org](mailto:events@cbасouth-east.org)

Next e-letter will be issued approximately on **February 28<sup>th</sup>** – please send any March, April or May info by **February 26<sup>th</sup>**
