

### From the Group Secretary

I would like to remind you that our annual Conference and AGM on November 10 at Chertsey in Surrey is fast approaching. This year's conference (which is being run in association with the Surrey Archaeological Society) – **Structured Deposits: definitions, developments and debates** – will bring together research from the prehistoric to the medieval period and provide fascinating insights regarding the processes of deposition at different times, and thus help us to understand better our uses of such terms as 'rubbish' or 'ritual' for various deposits. Our excellent line up of speakers comprises: Jon Cotton, Dr Catriona Gibson, Rachel Wilkinson, Dr Alex Davis, Prof Mike Fulford, Dr Sam Moorhead, Dr Clifford Sofield, and Dr Eleanor Standley. Tickets are just £20 for CBA S-E and Surrey Archaeological Society members, and students, and £25 for others. For further details please visit our website at <http://www.cbasouth-east.org/events/cbase-annual-conference/>

Our AGM will be held before the afternoon session and all members will be warmly welcomed as will non-members (who will not be eligible to vote). Our committee members are all happy to stand for another term of office but if any member wishes to assist the committee in the work it undertakes we would be delighted to accept volunteers. As a small group spread across the South East a few extra hands at different events are always welcome.

Assistance in another form is also helpful: we highlighted the 'Give as you Live' platform in a recent issue and with Christmas on the horizon now is the time to make use of it and help us to raise money for the Grants Fund.

Rose Hooker  
CBA SE Secretary

## **CBA South East Annual Conference**

Since its origins some thirty years ago, our understanding of the concept of ‘structured deposition’ has developed substantially. This day conference brings together research from the prehistoric to the medieval period, revealing new discoveries being made in southern England – and beyond – and the fascinating insights emerging from projects focusing on the processes of deposition.

Tickets: £20 for members of CBA SE, CBA Wessex, Surrey Archaeological Society and students  
£25 for non-members

Speakers include: Jon Cotton – The Archaeology of Ritual and Magic

Prof Mike Fulford – Ritual Behaviour in Roman Britain

Dr Sam Moorhead – The Frome Hoard

Rachel Wilkinson – Hiding in Plain Sight. Iron Age hoards in the South East

Dr Alex Davis – Unusual Deposition on Bronze Age and Iron Age Settlements and Hillforts in the Thames Valley

Dr Clifford Sofield, - Abandoned buildings, doorways and boundaries

Dr Eleanor Staley – Hoards and Emotions in Later Medieval England

Dr Catriona Gibson. – Graves as Structured Deposits?

**Site and Town Tours 2018:** contact [events@cbasouth-east.org](mailto:events@cbasouth-east.org) with any queries

**A new programme** is being developed for workshops and tours and will be advertised on our website [www.cbasouth-east.org](http://www.cbasouth-east.org) as the dates and venues are confirmed.

## Give as you Live

A free way to raise money for CBA South East when shopping online.

Fund raising on behalf of the Council for British Archaeology South East, supporting annual grants to be awarded for archaeological research in the region, can be as simple as using this fund raising platform – <https://www.giveasyoulive.com/> - and costs nothing more than the advertised price of your goods.

Here are the steps to do so:

1. This link takes you to the sign-up screen – <https://www.giveasyoulive.com/signup/choose-charity>
2. Enter 'Council for British Archaeology South East' when asked to choose a cause.
3. You will then be asked to create an account

The image shows a web form titled "Create your free account". Below the title, it says "Sign up with your email address:". The form has several input fields: "First name" (placeholder: "Your first name"), "Last name" (placeholder: "Your last name"), "Email address" (placeholder: "e.g. your@email.com"), and "Password" (placeholder: "Password"). There is a checkbox labeled "I'm not a robot" with a reCAPTCHA logo. Below these fields is a blue "Create account" button. At the bottom of the form, it says "Already a member? Log in to your account". To the right of the email sign-up section, there is a section labeled "or" with a blue button that says "Log in with Facebook".

4. Logon to your 'Give as you Live account' when subsequently shopping online, and then search for your goods – there are over 4100 stores to choose from.
5. Shopping for archaeology books (for example with Amazon) your purchase will be recognised and Amazon will offer (in their case) up to 1.5% of the purchase price to your chosen charity.
6. Please note, our example of shopping with Amazon means that you are still required to login to your Amazon account.

## Grants

The CBA South East has been able to offer grants to suitable archaeological projects for a number of years. The types of project vary and have included community activities, research, excavation, and support towards publication. A good number of excavations had had CBASE support, over all the region.. Some of the funding has gone towards the cost of hiring equipment. Some archaeological groups have been supported with help towards the purchase of specialist equipment.

Geophysical projects have been supported in the past, as have school digs. Projects that offer encouragement and field work for school children is often supported. Other grants have been awarded for archaeological training courses, and teacher training. Research has had grants for numerous investigations including the studies of Valencian tiles, Palaeolithic finds in the Lewes museum, metalwork from the Frensham excavations and a study of tesserae from the Southwick Roman Villa. The latest study being supported is about quern stones, their manufacture and distribution patterns.

Folkestone querns

A number of archaeologically related publications have been supported with children's journals, a book on the Wealden Iron Industry, and a publication on the Reculver Roman Fort among the awards. Other projects which have been awarded grants have included financial assistance for carbon 14 dating. The most recent such award may provide the dating for a possible Bronze Age shaft at Belle Tout in Sussex. Any archaeological project whether field or post excavation can be worthy of support.

If your group or project is lacking in funding then the CBASE may be a source of funds. The committee meets every 4 months and applications can be reviewed throughout the year. If you would like to apply for a CBASE grant contact the Grants Officer at [john.funnel@brightonarch.org.uk](mailto:john.funnel@brightonarch.org.uk) for an application form and terms and conditions.. If successful then a note about the project will be requested for publication in the newsletter.

## **Sally Christian Grants** are available from **Sussex Archaeological Society**

to support individuals starting out in archaeology as amateurs or students (including sixth formers) to assist with the costs of practical or academic training, and to enable them to gain experience in archaeological fieldwork and other forms of research in Sussex. Grants are available for short courses and dayschools, covering such subjects as surveying, excavation methods, environmental sampling, drawing and/or identifying finds; and attendance at relevant conferences or research projects.

Feedback will be required from successful applicants.

Further details are available from the Society's Research Officer ([research@sussexpast.co.uk](mailto:research@sussexpast.co.uk)) to whom all applications should be submitted at least five weeks before a proposed funded course or project takes place
